Dear Sir/Madam

RE: GRANGE ROOFING & PROPERTY REFURBISHMENT

The above named Company is a long established firm that Willmotts have had an association with for a number of years. We have found the quality of their work to be excellent and of a very high standard.

In addition to be above, we have found Graham Rushworth, the Proprietor of the Company, to be honest in his assessment of jobs and a good communicator with our residents, which is an added bonus.

Yours faithfully

WILLMOTTS
